Our Yerba Mate Collection

Yerba mate is more than a drink—it's a tradition, a source of natural energy, a way of life. Yerba mate products are carefully crafted to bring you the taste of Argentina. From classic innovative taste of Argentina. From classic innovative ready-to-drink formats, each presigned to deliver a unique experience. Discover the essence, benefits, and possibilities of our yerba portfolio.

Sourcing & Quality

Our yerba mate is sourced from the finest plantations in Misiones, Argentina, where the subtropical climate and rich red soil create ideal growing conditions. Each harvest is carefully selected, naturally dried, and aged to perfection. Our strict quality control ensures consistency in flavor, aroma, and freshness across every batch, meeting the highest international export standards.

Health Benefits

Enhanced Energy & Focus

Contains caffeine, theobromine & theophylline for balanced, jitter-free energy without the coffee crash

Rich in Antioxidants

Antioxidant profile comparable to green tea, helps reduce oxidative stress & cellular aging

Immune & Metabolic Support

Improved digestion, lower LDL cholesterol & stronger immune system from natural saponins

Physical Performance

Reduces fatigue & stimulates fat oxidation, increasing endurance during athletic activities

Nutrient Powerhouse

24 vitamins & minerals including potassium, magnesium, Vitamins B & C

WHO WE WORK WITH

Health-Conscious Retail Chains

Supermarkets and natural food stores seeking premium South American products.

Beverage Importers & Distributors

Companies building yerba mate or functional beverage portfolios in Taiwan and Asia.

Food Service & Hospitality

Hotels, cafes, and restaurant groups offering international wellness beverages.

Private Label Buyers

Brands seeking OEM production with Argentine origin certification.

THE MATE EXPERIENCE

Yerba mate has been the national drink of Argentina for over 500 years — shared among friends, fueling athletes, and sustaining daily life.

HOW TO PREPARE

Traditional (Gourd & Bombilla)

Fill gourd 2/3 with yerba mate.

Add warm water (70–80°C). Sip through bombilla straw.

Refill up to 20 times.

Mate Cocido (Tea Bag)

Steep 1 bag in 200ml hot water for 3–5 minutes.

Add milk or sweetener to taste.

RTD (Ready-to-Drink)

Serve cold. Shake gently before opening.

Campeona Energy Tea Latte — 330ml.

INNOVATION FOR ASIA

Campeona Energy Tea Latte

Developed specifically for Taiwan and Japanese consumers, Campeona RTD combines Argentine yerba mate with creamy milk latte - ready to drink, hot or cold.

330ml can | Natural caffeine | No artificial colors.

Designed for convenience stores, supermarkets, and vending machines.

Available for co-branding and exclusive distribution.

“The first Argentine mate latte. Made for Asia.”
